

STONECREST

- ~The community was started in 1990 as Floridian Club Estates.
- ~In 1993 Stonecrest Management took control and began to revitalize the community.
- ~All recreation facilities are new or have been renovated within the past four years.
- ~Stonecrest is a gated community located in Summerfield in Marion County and is 109.76 feet above sea level – flood insurance is not required.
- ~Stonecrest is built on 982 acres of rolling countryside.
- ~Stonecrest is a community vs. a city.
- ~Stonecrest is NOT a CDD Community – there are NO bonds.
- ~There are currently just over 2025 homes built in Stonecrest. A total of just over 2200 homes are projected upon completion of the community.
- ~Armstrong Homes is proud to say they are the exclusive builder in Stonecrest. With over 4000 homes built, Armstrong Homes started building in Marion County in 1978 and has been building custom homes in Stonecrest since 2001.
